WARNING
IT IS NOT THE JOB OF THIS SAFETY POSTER TO PROTECT YOU FROM HARM
THAT’S YOUR JOB

WHAT DOESN’T KILL YOU MAKES YOU STRONGER

EXCEPT FOR WORKPLACE HAZARDS
If they don’t kill you, they can leave you with a life-long disability

Don’t be a fool use the proper tool
KEEP YOUR WORK AREA CLEAN
MAKE YOURSELF AWARE OF ALL HAZARDS ASSOCIATED WITH YOUR JOB AND HOW THEY ARE
A SLIP
A SPILL
ONE RUNG TOO HIGH
A HOSPITAL TRIP
A HARNESS IS BETTER THAN A HARNESS
Always discard safety equipment or tools that are not safe or expired
SAFETY IS STRENGTHENED BY THE PRACTICE OF IT DAILY
REPORT ANY UNSAFE CONDITIONS OR INJURIES
SAFETY GLASSES $5, STEEL TOE BOOTS $150, HARD HAT $20.
GOING HOME TO YOUR FAMILY: PRICELESS,
DANGER: DO NOT TOUCH
Not only will this kill you but it will hurt the whole time you are dying
While on a pit ladder never step to admire your work
Wet from sweat is an electrical threat
Those who work in the safest way - live to see another day

NOTE:
When safety hazards are encountered that can not be easily avoided they must be IMMEDIATELY reported to your Supervisor, and to your Business Representative if necessary.

We came to this trade to have a better life not a shorter one.
